Foreword

IN presenting this catalog to the trade, we do so, not with the sole desire to exploit our wares, but with the sincere hope and belief that it may be a medium of mutual business assistance by which those dealers now on our books, whose valued custom we always prize, can be better served; and also add to that list many more who can avail themselves of our far-reaching service and business-getting possibilities. Our line covers a broad field, bringing it within the reach of every dealer which the following pages fully demonstrate. In our own behalf we can truthfully add that our work is executed with promptness, accuracy and in a manner satisfactory to all.

Respectfully yours,
